duction by Govt in the toll rates proposed
by the Haridwar Municipal Council will
cripple the finances of the body, and
requests that, as the Council has
to maintain a City water supply system,
the enhanced rates of toll on certain items
as proposed by the Council President may be
sanctioned as a special case.

The enhanced rates of toll proposed by the
Haridwar Municipal Council and have sanctioned by
Govt are given below:-

The M income is not intended
to be wholly to make supply
schemes. It is primarily intended
for the maintenance of the roads.
They may use the income if road-
work for other purposes but water
schemes should be maintained from
water rate & also water charge
and water rate should be as
high as to enable the Council
to meet the charges for the supply.
The rate paid should perhaps
remain & no increase is asked

To

General Secretary to Government,
Bangalore

Sir,

In forwarding herewith a copy of letter, 16 800 dated the 18th April 1929 from the President, Harihar Town Municipal Council re enhancing the rates of toll on certain items sanctioned by Government in their order o L 166-7/L1 190-28-2 dated the 1st January 1929, I have the honor to state that the finances of the Municipality are very much crippled by the reduction of the rates. The Municipality has to maintain a costly water supply system and heady has been made in the matter of town extension for want of funds. The reduction in the rates will be very embarrassing to the Municipality.

As no objections are stated to have been received, I request that the enhanced rates of toll proposed by the President (noted in the margin) may be sanctioned as a special case.

Kind of vehicle	Sanctioned by Govt	Proposed to be enhanced
1 Motor bus	0-0-0	0-8-0
2 Four wheeled carriage with springs	0-3-0	0-4-0
3 Cart or jutka laden	0-3-0	0-4-0
4 -----Do----- unladen	0-1-0	0-2-0
5 Bicycle	0-1-0	0-2-0

I have the honor to be,
S I R,
Your most obedient servant,
